Our Certification Numbers:

Builder Contractor Lic #:CB C057649
Mold Remediators Cert #: CMR 01148
Indoor Environmentalist Cert #: CIE 01527

Service Areas
Palm Beach and Broward counties!

Water Damage Restoration

Broken pipes, toilet overflows, roof leaks, malfunctioning water heaters, all contribute to a water damage mess. GCRS, Inc. comes to the rescue using truck mount extraction units, installing hurricane blowers and dehumidifiers. Mold prevention techniques are utilized to prevent future mildew damage.

Fire & Smoke Damage Restoration

Major or minor fire and smoke damages are a specialty of GCRS, Inc. Depending on the extensiveness of damage, the restoration process may include, boarding up, moving out, storage, permitting, restoration, cleaning and deodorization of personal items, and finally, moving you back in. Special cleaning techniques, chemicals and procedures used guarantee your complete satisfaction.

Mold Remediation

Living in Florida with high humidity produces favorable conditions for mold and mildew to grow. GCRS, Inc. are certified mold remediators. Containment walls, negative air scrubbers, hepa vacuums and antimicrobial chemicals are a few techniques used to eliminate mold. GCRS, Inc. adheres to NYC Dept of Health and OSHA standards and guidelines. An environmental clearance test will reveal if any mold remains after remediation.

Structural Restoration

Whether or not your home suffered from water, fire, smoke or mold damage, GCRS, Inc. specializes in all facets of remodeling and renovation. Should you want to redesign your home, GCRS, Inc. can assist you with colors, textures and materials selections. GCRS, Inc. specializes in:
